MEMORANDUM FOR: Deputy Director for Intelligence  
Executive Secretariat

FROM Deputy Director of Central Intelligence

SUBJECT: Items from Breakfast with Director/DIA

1. This morning Lt.Gen. Williams asked if we could possibly get [redacted] over to the CAJIT by 1 September. I told him I would give it the college try and see if we could accommodate his wishes. Please get back to me so I can advise General Williams.

2. As a follow-up to that, Williams was anxious to have greater analyst exchange than what we have now and feels it's very healthy for DIA to have CIA analysts spend a tour there. I told him that the DDI supported this program and I would flag to his attention the fact that it seems to be waning somewhat.
